---

Visual Inspection of Site located at road #187 from Loiza to Rio Grande, Puerto Rico held.

Parties heard as to the incidents occurred in the area. Court orders counsel José García to submit within 30 days the amount of sand extracted from the area. The Court orders the plaintiffs to submit the drawings of the project.

Photos of the site were taken by the Law Clerk. Court informs the parties that the jury will be brought for a visual inspection of the site during the trial.
